"Solutions for a streamlined project"

## Bulk Television Services

Bulk Television Service is a great way to add value to your income property. Whether you own an RV park, senior living facility, hotel, apartment complex, manufactured home community, hospital, or university, **Jet's** Bulk Television Service is a must have. With packages starting as low as \$3.50 per unit, you can save money and provide an amenity that will help keep your customers happy.

### Latest in Technology

#### **HD in the Clear**

Provide a competitive HD lineup without the need for set top boxes or adapters.

#### **Pro:Idiom HD**

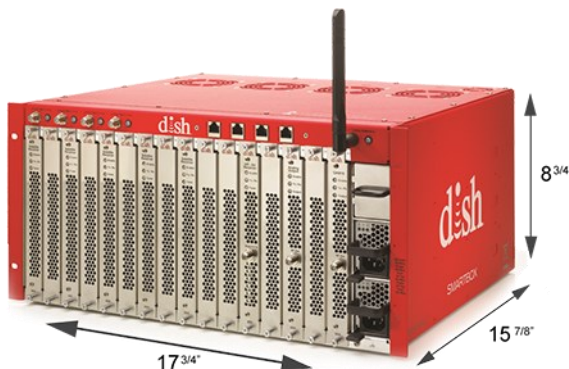

Get the latest technology in hospitality HD TV. Deliver clean, crisp 1080 picture for your guest rooms and common areas.

#### **Analog**

Analog head-end TV service has been around for over 30 years. With new advances in delivery, it's a low cost, reliable way to get the channels your residents want.

#### **MDU/Apartments**

Jet is one of few companies in the NW certified and trained to install the latest **Smart Box™** Technology by Dish Network. This allows apartment and MDU owners to give all tenants access to Dish Network services with a single Dish antenna, regardless of complex size. No more satellite dishes cluttering your property.

### About Jet

Jet delivers the most advanced telecommunications solutions on the market to a wide spectrum of businesses and organizations across the Northwest. Since 2006, we have built a legacy of success through exceptional customer care, cutting edge products, and powerful solutions. These strengths enable us to deliver scalable solutions that help customers improve their businesses.
