"Solutions for a streamlined project"

## SIP Services

Having the right voice solutions is critical to the day-to-day operations of your business. **Jet's** SIP Services provide small to medium businesses access to next generation, end-to-end VoIP solutions. Our collaboration with you to find the best solution for your business sets us apart. That's why our IP telephony services are a perfect fit to provide you the reliability and versatility to keep your business moving forward and saving money.

### Value

#### **Cost Savings.**

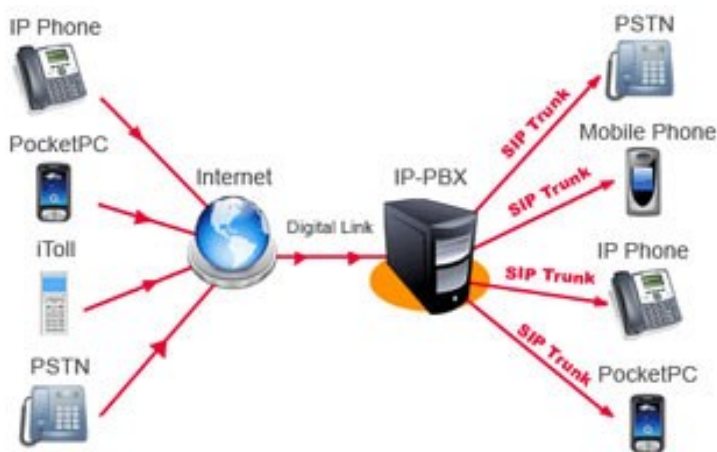

Alleviate the costs of traditional POTS lines and T1/PRIs by converting to **Jet's** IP-based phone service.

#### **Service Benefits.**

Connect the main office with home offices, cell phones, and other remote applications. Keep your office connected no matter where you are.

#### **Reliability and Security.**

With **Jet**, your solution is delivered securely with 99.99% reliability so your business can do what it does best.
